Theia NDAA Compliance Statement

Theia Technologies is pleased to state that our entire Theia lens product portfolio is fully NDAA-compliant. Specifically, Theia Technologies does not employ any software libraries or software code components and components capable of processing software, from the companies highlighted in Section 889 and their affiliated entities. Theia products do not contain any component parts manufactured by any entity sanctioned by the government of the United States under Section 889 of the John S. McCain National Defense Authorization Act.
